On general considerations, I am not prepared to support the recommendation of the Municipal Council to grant an allowance at the rate of Rs. 30/- per mensem. Whatever allowance is granted should conform to the rate usually admissible. I consider that the same allowance as is recommended for a Sub Assistant Surgeon who was on similar duty in the Tumkur Taluk, viz., Rs 10/- may be granted in the present case (please vide my letter No Dis B 613 dated the 26th June 1928).

I have to add that the work of the Sub Asst Surgeon in a compact town like Kolar could hardly have been more exacting than if he were on special duty in villages during epidemic time.
